

## Clarification for Current Affairs Students

Dear Students,

1. This is to clarify that Current Affairs Course for CSE 2022 will continue to be available in both online and offline mode for all enrolled students.
2. Seats are limited in offline mode, and enrolled students must visit to the centre and register for the Offline Classes. There are limited seats so students are requested to register early for offline classes.
3. The previous notice / email which said that online access will be removed for students who choose to attend offline classes is withdrawn. Candidates who choose to attend classes offline will continue have online access of the program.
4. Offline Seats allocation will be on prior registration basis, and once seats are full, no request for accommodation in the classroom will be entertained.
5. The Classes for Prelims will resume or commence from 25<sup>th</sup> March 2022 (Friday) at 5 PM.
