ABOUT THE PROGRAM

How can ForumIAS MGP aid in my preparation?

- The program has been designed to ensure:
 - Timely completion of syllabus.
 - Early completion of syllabus.
 Having guided students since 2012, we are aware that early preparation for Mains is the key to clearing the Civil Services Examination.
- A lot of students end up doing unguided self-study, with no clear deadlines and objectives in mind. Thus, they end up not covering the syllabus even after doing self-study for a year. MGP helps provide a **discipline and time bound routine, anchored to the syllabus**.
- It helps students with **regular evaluation of their preparation through writing timely tests and provides necessary reorientation** as and when required.
- One of the major pain points in the real examination is to **recollect what you have read and present it in a precise and time-bound manner**. Writing regular tests at MGP helps you learn the skill from DAY 1. You learn to apply what you have read.
- When doing self-study, there are many topics which **do not have comprehensive resources**. Also, there are topics which require **value addition in terms of current affairs**. MGP through its test, solutions and discussions also aids as a source of value addition and revision.
- The **concept classes (available with MGP++)** aim to help students **achieve conceptual clarity** as well as **value addition on topics lacking comprehensive resources**.
- A hassle free and constant support from Mentors ensures you are **on an optimal and guided path** throughout your preparation.
- Timely evaluation helps you **understand your mistakes and implement those feedback** before you attempt the next paper.

- At ForumIAS, we believe in continuous change and adaptation on the basis of the dynamic pattern of UPSC and are quick to implement the same to reflect in our all deliverables. With ForumIAS, you will always be ahead of the curve.

GSTest Solution	The solution to GSTests is curated with a philosophy to provide adequate content for answering the question in hand. Added content is provided under Knowledge Base/Extra Information separate from the answer, as and when required.
GS Test Video Discussions	The video discussion of MGP tests ensures that the student is exposed to different ways of answer writing, which generally includes different means of presentation, addition of diagrams and flowcharts. The discussion also seeks to add more value to the content which is readily available with the student or the one he has received through solutions. Note: Discussion will be held in online mode only.
Essay Tests	Essay Test replicates the pattern of UPSC. Before prelims, tests have 2 sections with 2 choices. Keeping in mind two things (a) increased focus of UPSC on philosophical essay (b) unpredictability of the commission, both sections will have thematic as well as philosophical topics. This gives students the choice to attempt more philosophical essays.
Good Copies	Peer-to-Peer Learning is at the heart of ForumIAS philosophy. The Academy shall be providing good copies of the tests of GS and Essay so that you can learn from your peers.
Evaluation (GS and Essay)	The parameters of evaluation at ForumIAS continuously evolves to adapt to the changing demand of the examination, in consultation with our students who have cracked the exam year after year. Evaluation of submitted copies will be provided with objective inputs aimed at helping you improve your answer writing.
Note: Offline Centres remain close on Thursdays for writing tests and mentorship. However, students can attempt tests as well as avail mentorship in online mode on all days.
