

General Instructions: General Studies Advance Program for Mains 2023

1. The classes will be majorly conducted from Monday to Thursday i.e., 4 days a week.
2. Students will be shared two weeks schedule in advance along with topics that is being to be covered in those classes. Please find the schedule for first 2 weeks in **Annexure - 1**.
3. Students will have to report to classroom at **3 PM** on the day of the class.
4. At 3 PM they will have a **7 Question test** on topics discussed in **previous classes**. 1 hour will be allotted time to write the test. These tests will be **graded**. Copies which are submitted on time will only be graded and there will be no flexibility.
5. Classes will commence from 4 PM and will continue upto 8:15 PM.
6. A tentative calendar for the whole course is shared on link <https://go.forumias.com/gsapcal>. Please note this is a tentative calendar and may be changed to an extent.
7. After completion of a week a Mains Test of 10 Q and 1.5 hour will be conducted on the topics completed in the week. These tests are tailored MGP for GSAP program. These tests are flexible in nature, but we recommend writing it on designated date only
