ABOUT THE PROGRAM

"If there is just one classroom program, you would like to take for your Civil Services preparation – it is this".

Current Affairs is a Pre-cum-Mains 2023, robust Classroom & Online Course for Civil Services Examination by ForumIAS.

Note: The Current Affairs Program of ForumIAS is NOT a Newspaper class. It does not follow monthly newspaper updates but focuses on issue-based preparation. The Objective is to have 1-2-page crisp notes on every Mains topic so that it is easy to revise before the exam.

Goal of the Program

The Program will focus on three things:

- **Completeness:** Ensure complete coverage of Current Affairs from PIB, Hindu, Indian Express, Times of India, and magazines such as EPW, Frontline. No issues will be left out.
- **Content Differentiation:** Ensure that value addition beyond common sources is done so that there is content differentiation in answers written by our students vis-à-vis other candidates.
- **Consolidation:** Ensure that there is complete consolidation of content on various topics that are important for Prelims and Mains examination. Thus, preparation is not scattered.

Phases of the Current Affairs Program

The Current Affairs Program by ForumIAS will commence from 26 November 2022. It is conducted in 3 phases.

- **Phase 1:** Issue wise Coverage of Contemporary Issues of GS Paper 2 & Paper 3. In this phase, 2 classes will be held in a week. They cover both Prelims & Mains Centric Issues which have been in news. The Phase 1 ends with a break of 4-6 weeks, after which Phase 2 commences.
- **Phase 2:** In this Phase, the focus changes from Mains to Prelims completely. Classes are held 2-3 days in a week about 2-3 months before the Prelims. Phase 2 follows Phase 1 with a 4-6 week break.
- **Phase 3:** Phase 3 commences about 2 weeks after the Prelims, and issues covered are completely from that year's Mains Perspective. Classes resume on a weekly basis. As the program comes to an end there is a steady & revision break for two weeks subsequently regular classes will be held 3 days in a week for completion of the course. Just like Prelims, the last classes are held about the 1 month before the Mains Examination and are conducted on Weekdays and not on Weekends.
