

Important Update Regarding SFG 2023 Level-1 Starting Date

Dear Students,

We want to bring to your notice that the SFG 2023 Level 1 Program which was scheduled to start on 5th December 2022, has been rescheduled. Now it will be starting on 26th December 2022.

The program has been rescheduled to accommodate the request of many students who wanted more time to focus on their Optional and Mains specific topics like Ethics. As SFG is a rigorous program and requires a single-minded focus, juggling between Prelims and Mains preparation becomes tedious for many students.

UPSC CSE(Prelims) 2023 is scheduled on 29th May 2023, so even shifting the SFG 2023 Level 1 schedule by three weeks still gives students ample amount of time for comprehensive preparation.

The new schedule has been uploaded, kindly go through the changes in the schedule and prepare your best.

All the Best!!
