

Clarification on Last time to register for SFG 2023 Level-1

Dear friends,

On the request and demand of many students, we have extended the deadline of registration of SFG program from 5pm earlier by three hours.

So, now students can register for the entrance test of SFG 2023 Level-1 today by 8 PM.

This is the final call to all the students who want to register for SFG program's entrance test.

Note: The deadline for registration will not be extended beyond 8 PM today, in any circumstances.
