ABOUT THE PROGRAM

Prelims is changing and so is the demand for its preparation.

Prelims is considered as the toughest stage in the Civil Services Exam.

This can be attributed to reasons such as:

- Open-ended syllabus
- Lack of conceptual clarity of static portions
- Issues with MCQ solving skills
- Balancing coverage of current affairs

UPSC CSE is about an integrated preparation for all stages but with the Prelims approaching it becomes difficult to **reorient to prelims specific preparation.**

So, ForumIAS has come up with an **innovative Prelims Rapid Revision Classes** to help candidates achieve their goal of clearing Prelims.

This program is based on **three pillars: CAP – Content, Analysis and Practice.**

Process and Structure of the Program:

The success of this program is built on the three pillars of Content, Analysis and Practice as:

The program will contain:

- **Content Building:** learning through most relevant topics covered in classes for all subjects for Prelims examination.
- **PYQ Analysis:** Past year questions analysis will be provided for familiarization of Prelims pattern as well as coverage of peripheral topics on these questions which UPSC generally tends to ask in later years.
- **Workbook Practice:** Aspirants will be provided with softcopy of Prelims Workbook on each subject containing 500+ most relevant questions with solutions, hence complementing the classes.
- **Subjectwise Test -** Full test will be provided post the completion of each subject.

ForumIAS Prelims Rapid Revision Classes

- The Prelims Rapid Revision Classes is a Comprehensive Prelims Focused program that ensures complete coverage of Prelims syllabus in about 50 classes.
- Coverage of content in the classes is from basics to an advanced level to make sure that students develop good knowledge base as well as acumen of solving Multiple Choice Questions (MCQs).
- With the UPSC CSE Prelims question papers of past 6 years including 2022 in view, the teaching curriculum and pedagogy have been reoriented to give extra edge to the enrolled students through **Content, Analysis and Practice.**

Process – How will be the classes conducted?

- The Classes will be conducted 6 days a week from Monday to Saturday and will be of 2 hours to 2.5 hours duration.
- The classes will be held in Online mode (**LIVE**) from 8:00 PM - 10:00 PM. Recorded lectures will be available on the portal after the completion of **LIVE** Classes.
- Every class will cover one concept which will be supplemented by practice questions and assignments.
- Each chapter's discussion will be followed by practice worksheets ranging from basic to advanced level.
- There will be 2 classes dedicated towards discussion and practice of previous year questions.

Why ForumIAS Preparatory Classes?

Well, because we understand following important things:

- For many of you prelims is the biggest hurdle in the goal of clearing Civil Services Exam and many of you get stuck in this stage itself.
- In the hue and cry for Mains and answer writing, students often end up devoting lesser time on prelims preparation.
- There are issues with conceptual clarity in some subjects for different students which are not visible in Mains preparation but come back to haunt in prelims exam.
- Many students are unable to find the right balance between Static portion and Current affairs portion for prelims, leaving either one or both with some significant weaknesses.
- Many students find it difficult to come out of comfort zone of Mains preparation to the dynamism required in prelims preparation, affecting their consistency and confidence.

Even our experience shows that our own students – Minal, Kajal and Aprajita – all IAS officers, became IAS once they were able to clear the Prelims, converting their first mains to a success story.
