ABOUT THE PROGRAM

Know your Course:

Public Administration Optional Foundation program by ForumIAS is designed for students who are new to the discipline of Public Administration and wish to build a strong foundation in the subject. Our aim is to provide a **comprehensive understanding of the theoretical and practical aspects of public administration**, along with a focus on its practical application in the Indian context.

Throughout the course, we will cover each and every topic meticulously and discuss them in the light of the most credible works in the field of public administration. The classes will be a **unique blend of conceptual explanations and real-world examples**, as well as a robust analysis of the themes in the light of previous year questions. Our goal is to provide a peerless combination of breadth and depth that will significantly enhance your chances of scoring well in the optional paper.

Why choose Public Administration as Optional?

- **Concise Syllabus:** Compared to other optional subjects, Public Administration has a short and concise syllabus and can be covered in a limited time.
- **Common Elements:** Some elements of this optional are present in GS Paper 2 and 4.
- **Helpful in Essay:** Public Administration provides a deep understanding of the functioning of the government and public institutions. This knowledge can be used in the essay paper to analyze the contemporary issues related to governance and public policy.
- **Helpful in Interview:** Public Administration equips you with the knowledge of public administration systems and processes, and can help you answer questions related to public administration in your interview.
- **No prior knowledge needed:** Public Administration optional does not require any particular knowledge or academic background for your preparation.

Important:

- a) **Class Starts:** 26 June 2023 | **Orientation:** 22 & 24 June 2023
- b) Weekly 4-5 Classes of 2.5 hr to 3 hr
- c) **Total No. of Classes:** 100+ Classes
- d) **No. of Tests:** 10 Regular Tests + Class Assignment based Tests.
- e) **Overall duration of Course:** 4 to 4.5 Months

Some of the distinguishing features of the course are:

- The most complex terms and concepts of public administration will be **explained in the most lucid way possible**.
- Examples from everyday life will be used as often as possible to make sure that the students not only understand the concept but are also able to explain and write promisingly on the same.
- **Visuals and case study** will be provided in class for better understanding of the subject.
- The lecture will be a blend of credible points and arguments culled out from a range of first-rate public administration texts.
- For every class, the students will be provided **handouts** that will spell out the essentials through short and crisp bullet points. These handouts will carry previous year questions on that specific topic.
- On every topic, crucial/ vital additional information will be given to help you fetch higher marks.
- The classes will be significantly inclined towards interaction and discussion so that everyone remains engaged throughout the duration of the class.
- 15-20 minutes towards the end will be dedicated to discussing **previous year questions** after the end of every chapter.
- **Weekly tests followed by focused discussion** on the strengths and weaknesses and suggestions to improve.
- Specifically in relation to Paper II, insistence will be on first-rate public administration references and formulation so as to score higher marks.
- The teacher will provide quick and easy to remember references that will significantly add to the overall appeal of students' answers.
- The course is fundamentally geared towards **inculcating public administration imagination** in the students, the disciplinary grasp that, once attained, will make it much easier for the student to answer a question that demands application of a concept or theory.
- Humour and laughter will always be within reach. In that too, more importantly, we will do public administration.
