Dear Students,

You must be aware about the recent spurt of bills that have been passed in the Parliament.

Given the new issues and questions that have arisen as a result of this, we will need to cover the important ones for Mains 2023.

The next class of CA 2023 will be held on 17th August.

A further class on 22nd August may be conducted, if the need is felt by the faculty. The same will be communicated in the class.

There will no class on 14th and 16th August.
