# ABOUT THE PROGRAM

## How can ForumIAS MGP aid in my preparation?

- The program has been designed to ensure:
  - Timely completion of syllabus.
  - Early completion of syllabus.
 Having guided students since 2012, we are aware that early preparation for Mains is the key to clearing the Civil Services Examination.
- A lot of students end up doing unguided self-study, with no clear deadlines and objectives in mind. Thus, they end up not covering the syllabus even after doing self-study for a year. MGP helps provide a **discipline and time bound routine, anchored to the syllabus.**
- It helps students with **regular evaluation of their preparation through writing timely tests and provides necessary reorientation** as and when required.
- One of the major pain points in the real examination is to **recollect what you have read and present it in a precise and time-bound manner.** Writing regular tests at MGP helps you learn the skill from DAY 1. You learn to apply what you have read.
- When doing self-study, there are many topics which **do not have comprehensive resources.** Then, there are topics which require **value addition in terms of current affairs.** MGP through its test, solutions and discussions also serves as a source of value addition and revision.
- The **concept classes (available with MGP++)** are being provided with an aim to help students **achieve conceptual clarity** as well as **value addition on topics lacking comprehensive resources.**

- A hassle free and constant support from Mentors ensures you are **on an optimal and guided path** throughout your preparation.
- Timely evaluation helps you **understand your mistakes and implement those feedback** before you attempt the next paper.
- At ForumIAS, we believe in continuous change and adaptation on the basis of the dynamic pattern of UPSC and are quick to implement them and reflect in our all deliverables. With ForumIAS you will always be ahead of the curve.

<b>GS Test Solution</b>	<p>The solution to GS Tests is curated with a philosophy to provide adequate content for answering the question in hand.</p> <p>Added content is provided under Knowledge Base/Extra Information separate from the answer, as and when required.</p>
<b>GS Test Video Discussions</b>	<p>The video discussion of MGP tests ensures that student is exposed to different ways of answer writing which generally includes different means of presentation, addition of diagrams and flowcharts.</p> <p>The discussion also seeks to add more value to the content which is readily available with the student or the one he has received through solutions. This gives students the choice to attempt more philosophical essays.</p> <p>*All the essay tests before prelims will have 4 topics divided into 2 sections. Students will be required to write two essays, selecting one topic from each section.</p> <p>All the essay tests after prelims will have 8 topics divided into 2 sections. Students will be required to write two essays, selecting one topic from each section.</p>

<b>Evaluation (GS and Essay)</b>	<p>The parameters of evaluation at ForumIAS continuously evolves to adapt to the changing demand of the examination, in consultation with our students who have cracked the exam year after year.</p> <p>Evaluation of submitted copies will be provided with detailed feedback aimed at helping you improve your answer writing.</p>

I was a part of MGP at Forum IAS. Apart from this I also took Current Affairs classes for mains by Dipin Dasodhan Sir. The top notch quality of the content and the versatile perspectives I got from Sir's classes really boosted my score in GS. One on one interaction with Ayush Sir during my interview preparation helped me.
