ABOUT THE PROGRAM

Prelims is changing and so is the demand for its preparation.

The year 2023 witnessed a notable shift in the pattern of the Prelims GS Paper. This change introduced unconventional questions that demanded a deeper understanding of the topics, as seen in the questions about Home guards and the Indian Evidence Act. Unlike before, the elimination technique didn't prove effective in this new pattern, emphasizing the need for a strong conceptual grasp.

Furthermore, the 2023 paper was notably lengthy, leaving many candidates unable to progress beyond the second iteration. These shifts in question style and paper length highlight the necessity for holistic preparation and a thorough understanding of concepts, rather than relying solely on traditional approaches.

To address this, ForumIAS has introduced an innovative program called **Prelims Rapid Revision Classes**, designed to assist candidates in achieving their goal of clearing the Prelims.

This program revolves around **three core pillars: CAP - Content, Analysis, and Practice**. It emphasizes providing comprehensive classes and study material, thorough analysis of topics, and ample practice opportunities. By focusing on these pillars, candidates can enhance their knowledge, improve their analytical skills, and gain valuable practice for the Prelims examination.

ForumIAS Prelims Rapid Revision Classes

- The Prelims Rapid Revision Classes is a comprehensive program focused on Prelims preparation. It guarantees complete coverage of the Prelims syllabus in approximately 180+ hours.
- The classes cover the content from basics to advanced levels to ensure that students develop a strong knowledge base and proficiency in solving Multiple Choice Questions (MCQs).
- Taking into consideration the Prelims question papers from the past seven years, including 2023, the teaching curriculum and pedagogy have been reoriented to provide an additional advantage to enrolled students through the pillars of **Content, Analysis, and Practice**.

Why ForumIAS Preparatory Classes?

Well, because we understand the following important factors:

- **Prelims as the Biggest Hurdle:** For many of you, prelims is the biggest obstacle in clearing the Civil Services Exam, and it's a stage where many students get stuck.
- **Time Allocation:** In the midst of the focus on Mains and answer writing, students often end up devoting less time to prelims preparation.
- **Conceptual Clarity:** Some students struggle with conceptual clarity in certain subjects, which may not be apparent during Mains preparation but become problematic during the prelims exam.
- **Balancing Static and Current Affairs:** Finding the right balance between the static portion and current affairs for prelims can be challenging, resulting in significant weaknesses in either or both areas for some students.
- **Comfort Zone and Dynamism:** Many students find it difficult to transition from the comfort zone of Mains preparation to the dynamic nature required for prelims. This can impact their consistency and confidence.
- Our experience also demonstrates that our own students - Ishita, Pranita, Minal, Kajal, and Aprajita - who are now IAS officers, achieved success by clearing the Prelims and converting their first mains attempt into a success story. Apart from these several students cleared the exam after clearing Prelims in their 5/6th attempt

Process - How will be the classes conducted?

- The Classes will be conducted 6 days a week from Monday to Saturday and will be of 2 hours to 2.5 hours duration.
- Classes will be conducted exclusively in an online format from 8:00 PM to 10:00 PM. Recorded lectures will be accessible on the portal.

Topper's Testimonials

I was a part of MGP at Forum IAS. Apart from this I also took Current Affairs classes for mains by Dipin Dasodhan Sir. The top notch quality of the content and the versatile perspectives I got from Sir's classes really boosted my score in GS. One on one interaction with Ayush Sir during my interview preparation helped me.

I am really grateful to Forum IAS especially Dipin Sir and Ayush Sir for their valuable inputs.
