# ABOUT THE PROGRAM

## How can ForumIAS MGP aid in my preparation?

1. The program has been designed to ensure:
   a) Timely completion of syllabus.
   b) Early completion of syllabus.
   Having guided students since 2012, we are aware that early preparation for Mains is the key to clearing the Civil Services Examination.
2. A lot of students end up doing unguided self-study, with no clear deadlines and objectives in mind. Thus, they end up not covering the syllabus even after doing self-study for a year. MGP helps provide a **discipline and time bound routine, anchored to the syllabus.**
3. It helps students with **regular evaluation of their preparation through writing timely tests and provides necessary reorientation** as and when required.
4. One of the major pain points in the real examination is to **recollect what you have read and present it in a precise and time-bound manner.** Writing regular tests at MGP helps you learn the skill from DAY 1. You learn to apply what you have read.
5. When doing self-study, there are many topics which **do not have comprehensive resources.** Then, there are topics which require **value addition in terms of current affairs.** MGP through its test, solutions and discussions also serves as a source of value addition and revision.
6. A hassle free and constant support from Mentors ensures you are **on an optimal and guided path** throughout your preparation.

7. Timely evaluation helps you **understand your mistakes and implement those feedback** before you attempt the next paper.
8. At ForumIAS, we believe in continuous change and adaptation on the basis of the dynamic pattern of UPSC and are quick to implement them and reflect in our all deliverables. With ForumIAS you will always be ahead of the curve.
