Issue based Current Affairs Program for Civil Services Examination

**STARTS | 24th June, '24 | Online &
Offline at Delhi & Gurgaon**

Toppers Testimonial

To ForumIAS,

The Current affairs Program at Forum IAS has been extremely helpful for me in streamlining my current affairs preparation. Current affairs was one area which I found challenging to cover. However, Forum IAS's program had important topics covered along with back-ground information of the issue which helped in holistic understanding of an issue. Dipin Sir's PDF's were also a savior in accessing value addition material. Along with the above, I have written free open mock mains simulation tests at Forum. These proved to be helpful too.

Thank You Forum community for your efforts.

I was a part of MGP at Forum IAS. Apart from this I also took Current Affairs classes for mains by Dipin Dandekar Sir. The top notch quality of the content and the versatile perspectives I got from Sir's classes really boosted my score in GS. One on one interaction with Dayish Sir during my interview preparation helped me.

I am really grateful to Forum IAS especially Dipin Sir and Ayush Sir for their valuable inputs.

I enrolled myself in multiple courses at ForumIAS - SFG, ANFG, MGP, current affairs classes and Ethics classes. The quality of content, the consistency of classes and availability of mentorship right when I needed it helped me throughout my preparation journey.

A special thanks to Ayush Sir and Dipin Sir for their efforts and constant support, even though I was practically invisible!

- Saloni Khemka, IAS Rank 27, CSE 2018

“I joined ForumIAS Current Affairs class for my mains preparation for CSE 2019. The crisp and concise content and structuring helped me a lot right before the exam. I would like to take this opportunity to thank ForumIAS and Dipin Sir”

- Sanjita Mohapatra, IAS Rank 9, CSE 2019

“I have been a part of ForumIAS Current Affairs Classes. I found Dipin sir's notes very unique, quantitative and crisp. They helped me add value to my mains answer and in better structuring of answers.”

- Pari Bishnoi, IAS Rank 30, CSE 2019

About Program

ForumIAS will be commencing Current Affairs (GS 2 & 3 and certain aspects of GS I) for Mains 2024 – covering all major issues important for the Civil Services Mains 2024.

If there is just one classroom program, you would like to take for your Civil Services preparation – it is this.

The **MGP + Current Affairs Combination** has been the **winning combination** for almost all our successful students – be it first timers, or those seeking rank and service improvement.

Goal of the program

The Program will focus on three things:

- **Completeness:** Ensure complete coverage of Current Affairs from PIB, Hindu, Indian Express, Times of India, and magazines such as EPW, Frontline. No issues will be left out.
- **Content Differentiation:** Ensure that value addition beyond common sources is done so that there is content differentiation in answers written by our students vis-à-vis other candidates.
- **Consolidation:** Ensure that there is complete consolidation of content on various topics that are important for Prelims and Mains examination. Thus, preparation is not scattered.

Why Current Affairs Classes by ForumIAS?

It is often believed that Current Affairs Classes are for those students who are weak and cannot even read the newspaper. Moreover, Current Affairs Classes are a mere repetition of the daily newspaper and add no value beyond what can be achieved by reading the newspaper.

At ForumIAS, we *know* this. Since, our courses are chosen by candidates for rank improvement as well as those in higher attempts with both Mains and Interview experience – apart from first timers. Due to this, we at ForumIAS ensure that **(1) We add value to the knowledge base of candidates who choose us (2) We provide content differentiation in the class, since the key to secure high marks in the Mains examination is content differentiation** – so that our students answers are both more qualitative and substantially superior to what is written by the average candidate. Classroom Students of ForumIAS Current Affairs Class have secured **Rank 3 & 8** in CSE 2023, **Rank 2 & 4** in CSE 2022, **Rank 12 & 14** in CSE 2021, **Rank 5, 8 & 9** in CSE 2020, **Rank 10** in CSE 2019, **Rank 5 & 10** in CSE 2017 and **Rank 7** - Varun, **Rank 13** - Varnit Negi, **Rank 27** - Saloni Khemka, **Rank 35** - Minal Karanwal apart from popular ForumIAS

Members like IWRA and Yo_Yo_Choti_Singh, who have given us favourable feedback after the class - so you can bank on us.

What you get?

Handouts along with important editorials and articles will be given for the candidates to consolidate their preparation. The material will be sufficient to cover Current Affairs completely, and any additional sources or newspaper reading will **NOT** be required. Apart from that candidates may be required to write answers in the classroom for practice

Course Schedule:

Regular classes will be held 2 – 3 days in a week starting from **24th June, by 5 PM**. Each class will be of **3 hours duration**.

For students enrolling in online mode, the lecture videos will be available in **live as well as recorded mode**. Each video has a limit of **2 views only** i.e. you can see every video for 2 full length duration.

Offline students will be able to attend classes in offline mode only but if they miss class due to an extraordinary circumstances can **seek Video on Demand (VoD)** for a particular class. Students are requested **not to demand more than 2 VoDs in a month**.

Note: The Current Affairs Program of ForumIAS is NOT a Newspaper class. It does not follow monthly newspaper updates but focuses on issue-based preparation. The Objective is to have 1-2- page crisp notes on every Mains topic so that it is easy to revise before the exam.

Design of the program (Handouts | Lectures)

- Handouts of the topics to be covered will be provided in the soft copy (hardcopy for offline students) and will be uploaded before the class. Refer to Annexure I for Sample Handout.
- In every class important issues will be covered comprehensively. Thus, the classes will have coverage for Mains with respect to topic discussed in the class.

Fees and Concessions

The program fee is **Rs. 21,999/- (inclusive of all taxes) for offline students** and **Rs. 23,999/- (inclusive of all taxes) for online students**. The Program is available at a 10% concession for all MGP Students. Old Students of ForumIAS Current Affairs are provided (40% concession)* – subject to 100 seats. Write to admissions@forumias.academy for availing concessions.

An early bird discount of 10% is available subject to 50 seats. No concession will be granted on any other ground.

*In case of availing a concession, any other active Current Affairs course would be deactivated from your ForumIAS account.

Why is fees for online mode higher than offline fees?

This primarily owing to two reasons: a) online students have longer access to class, b) the cost of video streaming and price of other necessities associated with it are at higher side, and c) ForumIAS incentivizes students who have the discipline and consistency to commit to offline classes.
