ABOUT THE PROGRAM

How can ForumIAS MGP aid in my preparation?

1. The program has been designed to ensure:
 - a) Timely completion of syllabus.
 - b) Early completion of syllabus.Having guided students since 2012, we are aware that early preparation for Mains is the key to clearing the Civil Services Examination.
2. A lot of students end up doing unguided self-study, with no clear deadlines and objectives in mind. Thus, they end up not covering the syllabus even after doing self-study for a year. MGP helps provide **a discipline and time bound routine, anchored to the syllabus.**
3. It helps students with **regular evaluation of their preparation through writing timely tests and provides necessary reorientation** as and when required.
4. One of the major pain points in the real examination is to **recollect what you have read and present it in a precise and time-bound manner.** Writing regular tests at MGP helps you learn the skill from DAY 1. You learn to apply what you have read.
5. When doing self-study, there are many topics which do **not have comprehensive resources.** Then, there are topics which require **value**

addition in terms of current affairs. MGP through its test, solutions and discussions also serves as a source of value addition and revision.

6. A hassle free and constant support from Mentors ensures you are **on an optimal and guided path** throughout your preparation.
7. Timely evaluation helps you **understand your mistakes and implement those feedback** before you attempt the next paper.
8. At ForumIAS, we believe in continuous change and adaptation on the basis of the dynamic pattern of UPSC and are quick to implement them and reflect in our all deliverables. With ForumIAS you will always be ahead of the curve.

GS Test Question Paper	The GS Test Question paper is curated with idea of taking a student from basics to advanced. With that purpose, the tests have been divided as Half Length Tests and Full-Length Tests. Also, you will be able to grow from writing tests starting from 1.5 hours to 3 hours eventually if you follow the plan. Half-length tests will be sectional tests and will have question of basic to moderate level. Full length tests will replicate the pattern and difficulty level of UPSC.

GS Test Video Discussions	The video discussion of MGP tests ensures that student is exposed to different ways of answer writing which generally includes different means of presentation, addition of diagrams and flowcharts. The discussion also seeks to add more value to the content which is readily available with the student or the one he has received through solutions. Discussion will be held in online mode only.
Essay Test Question Paper*	Essay Test replicates the pattern of UPSC. Before prelims, tests have 2 sections with 2 choices. Keeping in mind two things (a) increased focus of UPSC on philosophical essay (b) unpredictability of the commission, both sections will have thematic as well as philosophical topics. This gives students the choice to attempt more philosophical essays. *All the essay tests before prelims will have 4 topics divided into 2 sections. Students will be required to write two essays, selecting one topic from each section. All the essay tests after prelims will have 8 topics divided into 2 sections. Students will be required to write two essays, selecting one topic from each section.

He is a young and dynamic leader, popular not just in his state but across the country. Many political analysts opine that he has the potential to become Prime Minister of India in future. One day, the CM was taking a review meeting of law-and-order situation in the state, with senior officials in the state capital. Suddenly he felt a light pain in his abdomen. The CM had been feeling such bouts of pain since a long time, but like always he neglected it this time too, and continued with the meeting. However, in the next few weeks, the intensity of pain increased and the CM was forced to see a doctor. After initial examination, the doctor gave some medicines and prescribed few tests. After few days, the report came and it showed that the CM is suffering from 'Liver Cirrhosis.' It was in the advanced stage and posed a threat to the life of Mr. Mahto. The doctor told that the only option was the liver transplant without any further delay.</p> <p>In apprehension that it may create chaos among the general public, particularly the supporters of the CM and his party, it was decided to not make the news public. Only very few senior functionaries at the centre and state along with medical staff were aware of the situation. Meanwhile, the Health Minister of the State directed the State's Health Secretary to take necessary actions, coordinate with medical staff and arrange for liver transplant for the CM.</p>

The next day, the Health Secretary called the State Director General (DG), Health, who is the competent authority, dealing with the matters related to organ transplantation in the state. The DG, Renuka was informed of the situation and directed to make immediate arrangement for liver transplant. However, Renuka told the Secretary that there is a laid down Standard Operating Procedures (SOPs) regarding organ transplantation. She informed him that there is already a patient named Sunil at first position in the waiting list, who also requires urgent liver transplant. The health secretary is also informed that Sunil is left with a very short time window for a successful transplantation. Sunil is 35 years old, a father of two, and the sole bread winner of the family of six that also includes his wife and aging parents. Sunil's family is of limited means and often found it rather difficult to cater even for their needs. Also, various medical costs associated with Sunil's conditions have further worsened the financial condition of the family.

Renuka further informs the secretary, as per SOP, the CM would be at the second position in the waiting list. As a matter of chance, Renuka receives a phone call from one of her subordinates. She informs Renuka that a liver has been donated by family of an old person, who died his natural death. After relevant tests, it was found that the available liver is fit for Sunil. Incidentally, the liver also fits the medical profile of the CM. Renuka immediately intimates the secretary about this development.

Even though all the facts with regard to the SOP are explicitly clear, the secretary still tries to persuade Renuka for bending the rule in favor of Mr. Gopal Mahto. He explains that if anything untoward happens to the CM, it may lead to chaos and instability in the State. It may also require fresh elections which will be a drain on state exchequer and a drag on the governance process. He also hinted that if Renuka 'bent' the rule, this will be favorable for her career growth in the future. Further, to ease Renuka's conscience, the health secretary assured her that her actions are in larger interest of the state as well as the country. He also reasoned that if Sunil fails to receive a healthy liver in time, he will personally ensure that Sunil's family is well taken care of, and an eligible member of his family is accorded with a government job.

		<p>Meanwhile, the time is running out for both Sunil and the CM.</p> <p>a) What are the ethical concerns associated with the above case study?</p> <p>b) What are the options available with Renuka? Both Prakash and Meena were corporate executives, working in XYZ retail and ABC enterprises respectively. The two were leading a rewarding professional life. However, as both worked in different companies and often had different office timings, their personal lives were getting affected. Due to their busy schedules and official commitments, they were unable to find sufficient time for each other. Things came to such a pass that the two could not spend their last anniversary together. While Prakash was working on an important project, Meena was busy with the launch of a new product. Though the two understood the importance of professional commitments, the lack of quality time with each-other was increasingly becoming a cause for concern and frustration.</p> <p>One day Prakash informed Meena about a vacancy in his company for the post of regional manager. Prakash, who himself was working at the same position, knew that this post was an ideal opportunity for Meena professionally. While Meena's work in her company was well appreciated and her prospects for growth were sound, she was still willing to grab the present opportunity. This would have enabled the two of them to work in a common office space, with relatively more coherence in their office timings. Consequently, she applied for the vacancy in Prakash's company. As Meena was reasonably qualified for the job and had good experience, she was hired by Prakash's company. The two were very happy about the prospects of working together.</p>

Besides working from a common office space, Prakash and Meena were able to go to and return from work together. The two were, resultantly, very happy about this positive change in their lives. Meena quickly adjusted to the new office environment and began her work in the same department as that of Prakash. Meena's positive work came into the notice of her superiors. She was frequently appreciated for her diligence and sincerity. XYZ retail was in the process of preparing a presentation for a potential government contract. While Prakash was expecting that he would be chosen for preparation, the branch head of XYZ retail entrusted Meena with this strategically important task. Prakash was visibly disappointed with this, as he had been preparing for this task for a long time.

Meena could also sense Prakash's dejection, as he not only didn't congratulate Meena but also pointed out how it should have been him doing the job.

Meena, as was her nature, worked hard on the report, and successfully made the presentation to the client. As the report was made and presented in an efficient manner, XYZ retail gained a big contract from the government. While the entire office was congratulating Meena for her success, Prakash remained indifferent towards Meena's achievement. Meena was visibly hurt by Prakash's behaviour. Meena's success with the government contract earned her a promotion, and she was made the head of her department. This further enraged Prakash, as now he was supposed to report to Meena. Moreover, Prakash's behaviour at the workplace changed significantly. He started misbehaving with his juniors over small things. He became careless in his work, often leading to mistakes and errors. Prakash's behaviour at office had a spill-over effect on Prakash and Meena's personal lives. One day he slapped an office peon for entering his cabin without knocking. After an enquiry about the incident, Meena recommended suspension of Prakash. While the two had continuously quarrelled over trivial things since her promotion, this time Prakash's career was at stake leading to a huge fight. Earlier Prakash and Meena tried to spend time together whenever possible, now the two despised being together at home and office.

		<p>While Meena could not comprehend Prakash's behaviour, Prakash was jealous of Meena's success. Meena began to re-evaluate her decision to join XYZ retail.</p> <p>a) In your opinion, what qualities do Prakash lack? The inefficiency and ineffectiveness have brought matters to such a pass that even the basic responsibilities like cleanliness of the city, upkeep of public places, redressal of grievances etc., are not fulfilled. Q.9) Kamlesh is a civil servant who has been recently posted as Additional Chief Secretary in the education department of the state. Kamlesh has a meticulous service record and is well known for his honesty, and a no-nonsense attitude. After joining the new department, the first major task before Kamlesh was to conduct the recruitments for the post of lecturers in government schools. The posts were lying vacant for a long time, and the government wanted to fill up the vacancies without further delay as it was one of the poll promises made by the present government.

The recruitment process took place successfully under the supervision of Kamlesh. The concerned minister congratulated Kamlesh and informed him that the appointment letters will be allocated to the successful candidates in a ceremony which will be presided by the CM himself. Kamlesh was happy that his work was getting recognition at the highest level.

One day, Kamlesh was sitting in his office when his secretary brought him a letter from a leading investigative journalist of the state. The letter dealt with the recently conducted recruitment of the lecturers. Kamlesh was shocked at the content of the letter. The investigative journalist had alleged that the question paper of the exam was leaked to a few successful candidates, who had also forged their documents to appear in the exam. The letter also highlighted a nexus of middlemen, politicians, and civil servants who facilitate such illicit practices. Moreover, the investigative journalist had also attached credible proofs. Kamlesh corroborated the facts of the letters from his own sources and found the allegations to be true prima facie. Since the matter was serious and warranted immediate action, Kamlesh brought the matter to the notice of his minister. To his surprise, the minister asked him to sit over the matter for some time. Minister reasoned that bringing out this matter will bring ignominy not only to the department but also to the government. Further, the minister reasoned that cancelling the whole recruitment process will be detrimental for the education department, schools etc; also, the sincere and honest candidates who have invested a lot of time and money for preparation may also get affected negatively. He also reminded Kamlesh that the participation of the CM has already been announced.

After leaving the minister's office, Kamlesh got a phone call from Minister's Personal Secretary (PS). The PS hinted to Kamlesh that the concerned candidates were closely connected to the ruling political party, and going against them may create professional troubles for Kamlesh. On the other hand, his cooperation in this matter, the PS assured, will not go unnoticed and will be handsomely rewarded.
