

MAINS GUIDANCE PROGRAM 2025

Under the guidance of Ayush Sinha, Founder, ForumIAS

The best

MGP

ever

Cohort - 10 (14 August 2024)

MGP helped me in simulating the Mains examination. The feedback was very helpful. I thank ForumIAS for so much efficiency in paper checking and the elaborate feedback. Ayush Sir's inputs before Mains were very helpful.

Ishita Kishore,
IAS Rank I, CSE 2022

How did we build an academy which has sent 2 out of every 3 students selected in Civil Services Examination 2022 – including Rank 1, 2, 3, 4, 5 with near zero Quora reviews, a dull social media presence, and a disinterested marketing plan?

It's *simple*

We focused on our students. And cut the *noise*.

And they gave us Top ranks!

At ForumIAS, our USP lies in being thought leaders in Civil services Preparation, identifying what works and what does not, and make changes every year. We attract the best and the most sincere aspirants and turn them into officers without diluting our course quality to attract the masses.

Toppers chose ForumIAS

ForumIAS Mains Guidance Program has been the choice of the sincere aspirant – right from first attempters [1] - to students with who are seeking continuous improvement [2] - to those seeking a rank and career improvement [3]. With more than 60 students selected in CSE 2022 in Top 100, being students of Mains Guidance program 2022, we have built an impeccable program that enables you to succeed like no other.

This year MGP is ever better, covering almost all relevant concepts of previous year questions (framed differently), handholding you from the very beginning till the end of the program.

The new MGP program is tailored in a way such that right from absolute beginners with zero answer writing experience and skills to the students who have secured ranks, but are looking for a score improvement can benefit from it.

Every year since we started MGP.

[1] Pratyush Pandey (IAS Rank 21), Chandrajyoti (IAS Rank 25), Ananya Pandey

[2] Ishita Kishore (IAS Rank 1), Shruti Sharma (IAS Rank 1),

[3] Anudeep Durishetty (IAS Rank 1), Waseem (IAS Rank 7), Varun Reddy (IAS Rank 7)

I was enrolled in MGP Program for General Studies and Anthropology. The analytical nature of questions asked helped me prepare for the actual examination. The ranking system helped me to track my progress constantly. I am grateful to ForumIAS.

Impeccable Mentors that our students vouch for.

I came to ForumIAS after 4 prelims failure, when I had lost all hope. It was the mentorship of Ayush Sir, Aman Sir, and the entire team that helped me get into IPS in my fifth attempt. I shall be grateful to ForumIAS forever.

Truly they say, “We Build Officers”.

The best mentor you can get is an elder sibling who is in service.

The second-best mentors are at ForumIAS.

At the **core** of Mains Guidance Program is Mentorship. At ForumIAS, you have access to the best team of mentors who have the relevant experience of guiding the Crème de la crème of Civil Services aspirants.

They have the experience of handholding students who are complete beginners – who are beginning their Civil Services preparation with very little experience to students who have come after 3-4 failed attempts.

Our mentorship has enabled them to realise their true potential by securing their name in the final list.

ForumIAS boasts of the best tribe of mentors who have mentored – and continue to mentor – hundreds – if not thousands of selected candidates.

In fact, if you have heard of the term mentorship in Civil Services preparation – remember it all began with the MGP Mentorship program.

High Quality Questions & Answers that make you think and open your mind. Period.

I was a part of MGP at ForumIAS and also took Current Affairs classes for Mains by Dipin Damodaran Sir. The top notch quality of the content and the versatile perspective I got from the program and classes really boosted my score in GS. One on one interaction with Ayush sir helped me prepare better.

I am really grateful to ForumIAS for their valuable inputs.

Mains Guidance Program is no *ordinary* test series. They are also not a *bunch of questions* pooled together and dumped on the students.

One of the *key* differences between the Civil Services Examination conducted by the Union Public Service Commission vis-à-vis other State Services Examinations and University Examinations is that the Civil Services Mains Examination is a *thinking* paper.

This means that you cannot simply mug up notes and vomit them in the paper.

Questions often require deeper understanding, conceptual awareness and a thinking and open mind that can *quickly* collate *opinions* and facts to answer questions asked on the go.

With the increasing difficulty level of the Civil Services Examination, MGP makes you *think* - opens your minds to new ideas and dimensions – and prepares you for the real exam like no other.

Which is why the largest number of selected students* and interview appeared candidates choose the Mains Guidance Program over and over again.

*for rank improvement and mentorship guidance

**Start as a
beginner.**

**End up like a pro
with the year-
long MGP.**

**Compete with
India's best.**

**In fact, *become*
India's best.**

I enrolled in ForumIAS MGP, Current Affairs and Ethics+ Classes at ForumIAS. The quality of content, professionalism in conduct and availability of mentorship right when I needed it, helped me secure Rank 4 in the Civil Services Examination.

Joined ForumIAS MGP Year Long,

Do you know that IAS Toppers of both CSE 2021 and CSE 2022 Shruti and Ishita were first part of MGP Year Long program?

And IAS Rank 4 Smriti Mishra was a diligent student of Mains Guidance Program 2021 and 2022?

A lot of students think that they must join MGP after the prelims.

Some students are also misguided into thinking that they must complete the syllabus first then write answers.

Given the nature of humanities, the syllabus completion day never comes, while the exam does.

We don't blame them. A lot of noise on the Internet and for attention—in an age of attention economy—separates the serious and sincere, well-aware student from the masses.

MGP is a self-paced, flexible, self-study plan with answer writing for the sake of accountability at regular intervals, with mentorship support that has worked for thousands of students since we launched the program in 2016.

The Year Long MGP makes sure that you take the slow, but small steps to writing answers, before being thrown into the competition.

There is no substitute for answer writing.

Now cover all relevant questions from Previous Year Questions (PYQs) in MGP 2025 with brilliantly written solutions.

With MGP 2025, rest assured that you will not only cover all well-curated, important / non-outdated* concepts from Previous Year Questions – you will also find solutions to some of those questions.

Over the course of almost 12 to 18 months, we will make sure your minds are seeded with previous years questions, so that you not only move in the right direction – you also develop the much-needed confidence in solving previous year questions.

And you will also not waste time solving PYQs that are no longer relevant (due to change in dynamic issues, and some issues becoming dead) – nor waste time researching their solutions.

But that's not all, with MGP 2025, you will be exposed to the most cutting edge and relevant dynamic questions, that make you think, that open your minds, and train you to face the actual Civil Services Mains paper.

*A large number of PYQs lose relevance over a period of time given the dynamic nature of current happenings and emergence of new factors. Due to lack of experience, a lot of students waste time solving questions that have lost relevance.

Dear ForumIAS Team, thank you for guiding me through my Mains preparation in my 3rd attempt. Particularly it helped me to excel in my Essay score (136 Marks CSE 2021) Secondly, a huge token of gratitude to Ayush Sir, for guiding me through my Interview in my 2022 attempt. This input guided me to improvise on my scores and gain 20 more marks in 2022 interview. Hope that others continue to get guided in the same manner.

Take the Handholding Steps.

With MGP 2025, rest assured that you will be provided with handholding features that ease your academic journey as well as easy access to mentors and deliverables from the institution.

For academic journey the tests plan has been curated so that you do a) read the basic books, b) write the self-assessment test and c) finally write the evaluated MGP tests.

The syllabus has been planned in a way that at the beginning you are reading the syllabus which is foundational and common for both Prelims and Mains examination.

A new feature of SPOC (single point of contact) is being introduced which will help you seamlessly connect for mentor interactions. The SPOC will be readily available for your interactions and deliverables with the organization.

Dear Team ForumIAS

I extend my sense of thanks and gratitude to ForumIAS for playing a key role in my success. I was part of MGP, interview program, Prelims Test Series and Simulator.

At all stages of this examination, I have received support from the team, esp. Newayn [Ayush Sir].

I wish the best to all the future aspirants as well.

Deliverable of Mains Guidance Program:

Mentorship	Mentorship is readily available in both ONLINE as well as OFFLINE mode at ForumIAS. Once you write a paper, you can always reach out to a mentor to discuss your paper seeking suggestions on improving your answer writing. Online mentorship can be accessed by visiting https://mentorship.forumias.com/ . Offline mentorship is available at the institute.
Concept Classes Library#	With MGP++ you will get access to a video library of more than 300+ videos on static topics with rich content. The concept classes will be of 5 – 30 minutes duration with below objective a) To provide conceptual clarity on terms and keyword of syllabus. For example: separation of powers or Sevottam model or doctrine of severability etc. b) To provide value addition on topics that lack comprehensive sources . For example: Role of SHG in development or FCRA and NGO funding etc. c) To help Filer content . For example: What should I focus on French Revolution? Or What should I read under comparative constitution? *Concept Classes Library is not a replacement for GS Foundation Program.
GS Self-Assessment Micro Tests	As name suggests they are additional questions to increase the number of answer writing practise and serve the purpose of self-assessment and content building before you write the actual MGP tests on the same topics. These tests will neither be graded or evaluated.
GS Half and Full Length Tests	The GS Test Question paper is curated with idea of taking a student from basics to advanced . With that purpose the tests have been divided as Half Length Tests and Full-Length Tests. Also, you will be able to grow from writing tests starting 1.5 hours to 3 hours eventually if you follow the plan. Half-length tests will be sectional tests and will have question of basic to moderate level. Full length tests will replicate the pattern and difficulty level of UPSC .
GS Test Solution	The solution to GS Tests is curated with a philosophy to provide adequate content for answering the question in hand. Added content is provided under Knowledge Base/Extra Information separate from the answer, as and when required.
GS Test Discussion	The video discussion of MGP tests ensures that student is exposed to different ways of answer writing which generally includes different means of presentation, addition of diagrams and flowcharts. The discussion also seeks to add more value to the content which is readily available with the student or the one he has received through solutions. Discussion will be held in online mode only.
Good Copies	Peer to Peer Learning is at the heart of ForumIAS's philosophy. The Academy shall be providing good copies of the tests – GS and Essay so that you can learn from your peers.
Evaluation	The parameters of evaluation at ForumIAS continuously evolves to adapt to the changing demand of the examination , in consultation with our students who have cracked the exam year after year. Evaluation of submitted copies will be provided with objective inputs aimed at helping you improve your answer writing. Students have the opportunity to provide feedback on their evaluated copies in case unsatisfied and seek objective explanation on why a copy is checked in a particular manner.
Essay Test	Essay Test replicates the pattern of UPSC. Before prelims, tests have 2 sections with 2 choices . Keeping in mind two things (a) increased focus of UPSC on philosophical essay (b) unpredictability of the commission , both sections will have thematic as well as philosophical topics . This gives students the choice to attempt more philosophical essays.
