

General Studies Foundation Program 2026, *a two (2) year pre cum mains foundation program*

Start Date: 17th August | **Duration:** 2 years | **Mode:** Classroom Offline | **Class Time:** 4 PM – 6 PM

The GS Foundation Program is a *prelims-cum-mains classroom-led Guidance Program that provides a single and unified 360-degree preparation roadmap* to aspirants of UPSC Civil Services Examination (CSE).

The Program aims to build relevant content and develop capability in the key areas of problem solving, analytical skills and answer writing in order to be ready for all stages of the IAS examination.

This interactive and intensive program combines *lectures, regular assignments/tests and mentorship to help you set a solid foundation*. Each student will be tested on their knowledge and understanding of the key concepts for each subject area in order to benchmark their progress against their peers.

Why a two (2) year foundation program?

Many students embark on their preparation journey much before graduating from college. For the period before they graduate and join a formal guidance system their preparation is based on hit and trial method, random readings and online strategies which doesn't really cater to the designated end goal of clearing CSE.

We have come up with 2 year foundation program to provide for a relaxed, time bound constantly evaluated preparation which keeps you oriented towards your goal of clearing CSE in the very first attempt.
