2025

*guided revision, rigorous practise and dedicated handholding by **mentors***

Why Prelims is an extremely crucial stage in CSE?

Prelims is the stage of Civil services Examination where we see **elimination of 98% aspirants**. So, there are many students who have **never crossed the first hurdle of Civil Services Examination**. With 100 questions being asked from anything under the sun, means your **knowledge needs to be wide and you need to ace your recall game**.

There is a need to **a) understand what to study, how much to study and where to study**, and **b) develop intelligent methods and problem solving techniques** which can help you arrive to right answer and gain an advantage of 10 – 15 marks over your peers.

Why dedicated Prelims Preparation is necessary?

Writing your first attempt or failing Prelims every time? You have the required books, the tests and most importantly the will to crack prelims, but still having strong doubts about your preparation. It's because what you do lack is the **sense of external accountability** to put all these ingredients in order.

We at forum can truly empathise with your feelings, apprehensions etc. That's why it's high time to convert that empathy into compassion. After the resounding success of MGP and thousands of requests, it's time to reinforce the same handholding support in the prelims domains.

That's why we have come up with the **Prelims Guidance Program (PGP)**.
