

PYQ Analysis Classes for Prelims 2025

Starts: 22nd April 2025 | Mode: Offline & Online | Timings: 4 PM – 7 PM

Why PYQ Analysis Classes?

As said **“history repeats itself”**, UPSC has behaviour of using previous year’s question themes sometime directly and indirectly. To illustrate let’s take one example

A constitutional government by definition is a [UPSC CSE Pre 2020]
a) government by legislature
b) popular government
c) multi-party government
d) limited government

Constitutional Government means: [UPSC CSE Pre 2021]
a) a representative government of a country with federal structure
b) A government whose head enjoys nominal power
c) a government whose head enjoys real power
d) a government limited by the term of constitution

Which one of the following statements best reflects the chief purpose of the ‘Constitution’ of a country? [UPSC CSE Pre 2023]
a) It determines the objective for the making of necessary laws
b) It enables creation of political offices and government
c) It defines and limits the power of government
d) It ensures social justice, social equality and social security

Hence, we say the PYQ Analysis are the **“final last push”** which could propel your marks in CSE Prelims by almost 15 – 20 marks.

What is ForumIAS PYQ Analysis Classes?

ForumIAS PYQ Analysis classes **designed and conducted by individuals** who have seen overwhelming success in prelims; some **clearing all 6 prelims** they appeared for.

At ForumIAS PYQ Analysis Classes, is **not a mere question solution discussion** of previous year questions. The PYQ Analysis classes provides for analysis of CSE Prelims PYQs from 2011 to 2023 in subject wise and year wise format.

Each class is supplemented by a **printed research document** (find in Annexure I). The discussion is on topic and **every periphery associated with the topic**. This just not help you revise topics that have been asked in PYQs but also associated topics. So you can expect a **revision of over 1000+ concepts/** from the classes.

The question and discussion also provide **insights on pattern, difficulty level and trends of UPSC Prelims Paper**. It will help you garner understanding of **how to approach a paper**, how to **tackle difficult question** and **implement certain problem solving strategies** if need arises.

What is structure and schedule of ForumIAS PYQ Analysis Classes?

The classes will commence from 22nd April 2025, Monday. The duration of the program is 10-15 days, and the validity is till Prelims 2025. The classes will be **conducted on all days except Saturday & Sunday at 4 PM**. The duration of one class will be **3 Hours**. The classes will be held in **Online & Offline mode** at our **Karol Bagh Learning Centre**.

Each class will be followed by a **Learning Outcome Test** which will contains **30 MCQs, 10 True & False Questions and 10 Fill in the blanks questions**. This endeavour will help in learning, retention of content and problem solving techniques. The solution will be discussed in next class.
