I, Banna Venkatesh enrolled in Forum IAS MGP – 2023, 2024 test series for mains and got benefitted from the same. The test series pattern with good model answers and timely feedback helped me improve my mains answer writing, contributed to my success in both civil services 2023 (rank – 467, IPS) and CSE 2024 (rank 15). I thank ForumIAS for their support in my preparation.

Banna Venkatesh
IAS Rank 15, CSE 2024

My heartfelt gratitude goes to the Forum IAS team for helping me in achieving this feat of AIR-16 in CSE 2024. I was a part of the MGP test series, Current Affairs classes as well as the Interview Guidance Program by Ayush sir. The test series is very well drafted with relevant keywords/value additions in the model answers.

Thank you once again to the whole team.

Madhav Agarwal
IAS Rank 16, CSE 2024

I enrolled in the ForumIAS Mains Guidance Programme for CSE-2022 and CSE-2024. The well-designed tests, timely evaluation, and crisp model answers helped me improve my answer writing. Regular mentorship calls also helped clarify doubts. ForumIAS played a key role in helping me secure AIR 352 in 2023 (IDAS) and AIR 17 in 2024 (UPSC). I thank Ayush sir and his team for such quality input to my preparation and wish them best of luck for the journey ahead.

How did we build an academy which has sent 2 out of every 3 students selected in Civil Services Examination since 2016 – including Rank 1(5 times), 2,3,4(3 times), 5(3 times), 6(3 times), 7(3 times), 8(3 times), 9(2 times), 10 (2 times) with near zero Quora reviews, a dull social media presence, and a disinterested marketing plan?

It's *simple*

We focused on our students. And cut the *noise*.

And they gave us Top ranks!

At ForumIAS, our USP lies in being thought leaders in Civil services Preparation. We are young & dynamic and identify what works and what does not. We attract the best and the most sincere aspirants and turn them into officers without diluting our course quality to attract the masses.

Toppers chose ForumIAS

ForumIAS Mains Guidance Program has been the choice of the sincere aspirant – right from first attempters [1] - to students with who are seeking continuous improvement [2] - to those seeking a rank and career improvement [3]. With more than 60 students selected in CSE 2024 in Top 100, being students of Mains Guidance program 2024, we have built an impeccable program that enables you to succeed like no other.

This year MGP is ever better, covering almost all relevant concepts of UPSC Previous Year Questions (framed differently), handholding you from the very beginning till the end of the program.

The new MGP program is tailored in a way such that right from absolute beginners with zero answer writing experience and skills to the students who have secured ranks, but are looking for a score improvement can benefit from it.

Every year since we started **MGP**.

- [1] Donuru Ananya Reddy (IAS Rank 3), Komal Punia (IAS Rank 6), Aayushi Bansal (IAS Rank 7), Pratyush Pandey (IAS Rank 21), Saurabh Sharma (IAS Rank 23), Chandrajyoti (IAS Rank 25)
- [2] Aditya Srivastava (IAS Rank 1), Ishita Kishore (IAS Rank 1), Shruti Sharma (IAS Rank 1), Ruhani (IAS Rank 5), Varun Reddy (IAS Rank 7)
- [3] Anudeep Durishetty (IAS Rank 1), Waseem (IAS Rank 7)

I enrolled myself in the Forum Mains Guidance Program+ for GS and Essay Test series. The answer writing practice and written feedback from ForumIAS helped me improve my answers and get a high score in my General Studies papers.

- Shruti Sharma, IAS Rank – I, CSE 2021

Take the Handholding Steps.

With MGP 2025, rest assured that you will be provided with handholding features that ease your academic journey as well as easy access to mentors and deliverables from the institution.

For academic journey the tests plan has been curated so that you do a) read the basic books, b) write the self-assessment test and c) finally write the evaluated MGP tests.

The syllabus has been planned in a way that at the beginning you are reading the syllabus which is foundational and common for both Prelims and Mains examination.

A new feature of SPOC (single point of contact) is being introduced which will help you seamlessly connect for mentor interactions. The SPOC will be readily available for your interactions and deliverables with the organization.

Mains Guidance Program (MGP) helped me in simulating Mains and the feedback was helpful too. Thank you for so much efficiency in paper checking and the elaborate feedback. Mentorship session by Ayush Sir was very helpful.

Ishita Kishore

High Quality Questions & Answers that make you think and open your mind. Period.

MGP has been extremely helpful in replicating the standard of questions asked by UPSC to a large extent. The model answers provided by the team were crucial to value addition.

I would like to express my gratitude to the entire Forum IAS team and Ayush sir for motivating and guiding me.

Mains Guidance Program is no *ordinary* test series. They are also not a *bunch of questions* pooled together and dumped on the students.

One of the *key* differences between the Civil Services Examination conducted by the Union Public Service Commission vis-à-vis other State Services Examinations and University Examinations is that the Civil Services Mains Examination is a *thinking* paper.

This means that you cannot simply mug up notes and vomit them in the paper.

Questions often require deeper understanding, conceptual awareness and a thinking and open mind that can *quickly* collate *opinions* and facts to answer questions asked on the go.

With the increasing difficulty level of the Civil Services Examination, MGP makes you *think* - opens your minds to new ideas and dimensions – and prepares you for the real exam like no other.

Which is why the largest number of selected students* and interview appeared candidates choose the Mains Guidance Program over and over again.

*for rank improvement and mentorship guidance

**Start as a
beginner.**

**End up like a pro
with the year-
long MGP.**

**Compete with
India's best.**

**In fact, *become*
India's best.**

Ayush sir always used to say one thing — “Fear kills more dreams than failure ever will.” This line has stayed with me throughout my UPSC journey and has provided me the courage to embrace failures, learn from them and improve everyday. The Forum IAS courses — Ethics, Current Affairs, MGP, AWFG have been instrumental in getting Rank 57. Special thanks to Ayush Sir for always motivating me to achieve something big! Thank you to the entire forum community for their guidance.

Do you know that IAS Toppers of both CSE 2021 and CSE 2022 Shruti and Ishita were first part of MGP Year Long program?

And IAS Rank 4 Smriti Mishra was a diligent student of Mains Guidance Program 2021 and 2022?

A lot of students think that they must join MGP after the prelims.

Some students are also misguided into thinking that they must complete the syllabus first then write answers.

Given the nature of humanities, the syllabus completion day never comes, while the exam does.

We don't blame them. A lot of noise on the Internet and for attention—in an age of attention economy—separates the serious and sincere, well-aware student from the masses.

MGP is a self-paced, flexible, self-study plan with answer writing for the sake of accountability at regular intervals, with mentorship support that has worked for thousands of students since we launched the program in 2016.

The Year Long MGP makes sure that you take the slow, but small steps to writing answers, before being thrown into the competition.

There is no substitute for answer writing.

Now cover all relevant questions from Previous Year Questions (PYQs) in MGP 2026 with brilliantly written solutions.

Thank you for crafting a wonderful Test Series (MGP) that not only has a high question hit rate but also an extensive solution and topper Section to add value.
Thanks for helping clear Mains.

IAS Rank - 44, CSE 2024

With MGP 2026, rest assured that you will not only cover all well-curated, important / non-outdated* concepts from Previous Year Questions – you will also find solutions to some of those questions.

Over the course of almost 12 to 18 months, we will make sure your minds are seeded with previous years questions, so that you not only move in the right direction – you also develop the much-needed confidence in solving previous year questions.

And you will also not waste time solving PYQs that are no longer relevant (due to change in dynamic issues, and some issues becoming dead) – nor waste time researching their solutions.

But that's not all, with MGP 2026, you will be exposed to the most cutting edge and relevant dynamic questions, that make you think, that open your minds, and train you to face the actual Civil Services Mains paper.

*A large number of PYQs lose relevance over a period of time given the dynamic nature of current happenings and emergence of new factors. Due to lack of experience, a lot of students waste time solving questions that have lost relevance.

The best mentor you can get is an elder sibling who is in service.

The second-best mentors are at ForumIAS.

At the **core** of Mains Guidance Program is Mentorship. At ForumIAS, you have access to the best team of mentors who have the relevant experience of guiding the Crème de la crème of Civil Services aspirants.

They have the experience of handholding students who are complete beginners – who are beginning their Civil Services preparation with very little experience to students who have come after 3-4 failed attempts.

Our mentorship has enabled them to realise their true potential by securing their name in the final list.

ForumIAS boasts of the best tribe of mentors who have mentored – and continue to mentor – hundreds – if not thousands of selected candidates.

In fact, if you have heard of the term mentorship in Civil Services preparation – remember it all began with the MGP Mentorship program.
