Our Faculty- Mr. Ajeet Yadav

He is experienced professional in Public Administration. He has mentoring and teaching civil services aspirants since 6 years and having proven track record in mentoring successful civil services exam candidates.

He served as a Public Policy advisor, shaping governmental decisions in Uttar Pradesh through insights and recommendations.

Classroom: Where Learning Flourishes

350+ hours of classes.

One class daily. 5 classes in a week.

The program will cover the full UPSC CSE Public Administration syllabus, Papers I and II, with detailed discussions on core concepts, thinkers, theories, and case studies.

Our experienced faculty will use multimedia resources like videos, documentaries, and podcasts to enhance lectures, simplify readings, and offer additional insights pertaining to the core requirements of the competitive exam.

Incorporate current affairs and relevant issues into the Public Administration curriculum to enhance students' understanding and application of subject concepts in real-life contexts.

The students will be provided excellent and comprehensive lecture notes along with references to additional credible study material (textbooks and online resources) to offer them an edge over others and also encourage self-study.

Handouts: Your hand held Guide to success

Certainly! Handouts in a Public Administration class for UPSC CSE preparation should aim to provide concise and comprehensive summaries of key concepts, theories, and thinkers relevant to the exam.

Some of the core features of our handouts that you just cannot afford to miss:

Excellent summarizing of an array of key concepts like Law and Order, Education, Public Heath, Public works, Justice , Welfare, with definitions and significance.

Case studies and/or examples from everyday life to illustrate real-life applications of subject concepts.

Study guides outlining class topics to prepare for exams and assignments.

Use of visual aids like diagrams and flowcharts to offer a more captivating account of complex ideas.

Reader-friendly and to the point summaries to help students in retention.

Regular Assessment : Tracking Progress, Shaping Futures

For students preparing for the UPSC Civil Services Examination (CSE) in Public Administration , regular assessment plays a crucial role in their preparation. In the Public Administration foundation program offered at ForumIAS, following is of crucial significance with regards to assessment:

Conduct of mock tests mirroring the UPSC CSE format to help students work out the challenge of time management and work out essential exam strategies.

Assigning of case studies for Subject analysis, enhancing students' analytical skills and pushing them towards real-world application of concepts.

Assessments designed fully in sync with UPSC patterns, including various question formats, to boost students' confidence vis-à-vis the exam.

Constructive feedback on assessments, emphasizing strengths and areas for improvement.

Regular revision sessions to reinforce key Public Administration concepts and clarify doubts before exams.

Nurturing Potential, Guiding Success: Your Journey with a mentor

It is beyond doubt that regular and customized mentorship greatly benefits students preparing for the UPSC Civil Services Examination (CSE). The Public Administration foundation program at ForumIAS comprises regular mentorship that provides guidance, support, and personalized advice tailored to individual needs of students. Some of the important features of the mentorship program are:

Helping students develop comprehensive study plans covering all Public Administration topics, prioritizing as per the UPSC pattern and trends, scheduling revision, and identifying resources for content improvement.

Motivational support to keep students focused and positive throughout their preparation.

Regular feedback on mock tests and assessments, suggesting preparation-related strategies and additional resources for improvement.

ForumIAS

Public Administration as an executive arm, translates Government vision into reality, policy into practice, and ideals into institutions. It demystifies the machinery of the state. It equips us to understand not only the steel frame of Indian bureaucracy, but also the evolving dynamics of public policy, leadership, ethics, It's a subject where theory meets practice where thinkers inform the everyday workings of ministries, missions, and grassroots governance.Public Administration connects seamlessly with the GS papers, especially GS-II and GS-IV, and finds real-world application in the Essay and Interview stages. It's a discipline that evolves with every reform, every budget, every Supreme Court judgment.

So let's approach it with clarity, curiosity, and commitment.
