

# 71<sup>ST</sup> BPSC

# MAINS समग्र

5 Layer *Revision* of BPSC Mains Syllabus  
through **400+ Questions & Answers**

## WORKSHEET

**30+ worksheets** (consists of 15 to 30 Questions) designed to build effective Mains Notes and Strengthen Answer Writing

## MAINS TEST SERIES

Total 37 Tests including 22 Sub-sectional, 8 Sectional and 7 Full Length Tests with **model Answers hints and test discussion**

## MENTORSHIP

**Personalised mentorship** to help you overcome your weakness and refine your strength ( **Offline & Online mode** )

## CONCEPT CLASSES

**40+ concept classes** to revise BPSC Mains Syllabus through Questions & Answers. Special Classes for **DI, Essay & Current Affairs**

# CRASH COURSE

**“DESIGNED FOR IAS ASPIRANT  
ALSO APPEARING FOR BPSC”**

## STUDY MATERIAL

Value addition study material and handouts.

## WHO SHOULD JOIN

Those Who...

- ➔ want to develop the *skill* of answering limited questions without having to read **unlimited content**
- ➔ have enough content but have difficulty translating that knowledge into **well-written answers**
- ➔ want to practice answer writing stepwise with **handholding** and **mentorship support**
- ➔ want to revise the syllabus **multiple times** with the help of Answer Writing

**PROG.  
STARTS**

# 12 DEC

**Offline & Online**

**ENGLISH & हिंदी माध्यम**

# 71st BPSC MAINS – समग्र

## Crash Course Designed for *IAS Aspirant also Appearing for BPSC*

The journey from a civil services aspirant to a successful officer is built on a foundation of knowledge, strategy, and the crucial skill of effective answer writing. The BPSC Mains exam demands not just what you know, but how well you can articulate it under pressure. This is where targeted practice and expert guidance makes all the difference.

Recognizing this critical need, ForumIAS is launching its 71st BPSC mains crash course. Meticulously crafted for serious BPSC aspirants, and also highly beneficial for those preparing for the IAS exam, this program is your definitive guide to mastering the art of mains answer writing.

### **Step by Step guide to writing Excellence:**

**Concept classes-** Practice driven and precise 40+ concept classes under the guidance of expert teachers to help you understand the core of the syllabus and transform it into good answers.

**Worksheets-** 30+ thematic worksheets having composition of micro questions to breakdown the syllabus into sub topics which can be helpful for answer writing practice and notes-making.

**Data Interpretation (DI)classes-** These will help you tackle this relatively new challenge by making you understand the demand of these papers and by providing you with the much needed practice and value addition.

**Essay Classes-** This paper can help you increase your mains score. Under the guidance of our experienced faculty we aim to provide precise and PYQ based preparation and practice, to help you gain an edge over others. These classes will be in both English and Hindi Medium.

**Sub-sectional Tests-** To tackle a bigger problem, we need to deal with it in pieces. 22 Sub-sectional Tests will ensure topic wise micro improvement to make sure there are no gaps in your overall preparation.

**Sectional Tests-** Through 8 Sectional tests will ensure paper wise comprehensive analysis aligning it with the demand of exam.

**Full length test-** Full length question paper tests your speed, thought process and strategy. 7 Full length Tests will help in consolidating your preparation by testing your overall progress and plugging the loopholes before the exam.

**Test evaluation, discussion and model answers-** Every answer you write goes through a 3 step process. Expert evaluation with detailed and timely feedback to help you minimize your mistakes. Video discussion by experienced faculties to help you develop the thought process and understanding of answer writing. And value added model answers as per the requirements of BPSC to provide you with a structure and content as per the demand of the questions.

**Value Added study material-** To declutter the unnecessary from the necessary parts of the syllabus and provide the much needed updation and enrichment to the important parts of the syllabus.

**Mentorship-** Every student is different and so their problems. Through personalized one-to-one mentorship we aim to solve the unique challenges and preparation gaps.

### **Who Should Join...**

want to develop the skill of answering limited questions without having to read unlimited content

have enough content but have difficulty translating that knowledge into well-written answers

want to practice answer writing stepwise with handholding and mentorship support

want to revise the syllabus multiple times with the help of Answer Writing

### **Bilingual Classes**

In offline mode Timing 10:00 AM to 1:00 PM

Venue: NEW DELHI: Plot No. 36, 3rd & 4th Floor (Above Kalyan Jewelers) Pusa Road, Karol Bagh – 110005

### **Hybrid Mode**

All classes and tests will be conducted in offline and online mode. Students will have both the access.
