UP-PSC 2025 MAINS समग्र

Designed for *IAS Aspirant* also *Appearing* for UP-PSC

The journey from a civil services aspirant to a successful officer is built on a foundation of knowledge, strategy, and the crucial skill of effective answer writing. The UP-PSC Mains exam demands not just what you know, but how well you can articulate it under pressure. This is where targeted practice and expert guidance makes all the difference.

Recognizing this critical need, ForumIAS is launching its UP-PSC mains crash course. Meticulously crafted for serious UP-PSC aspirants, and also highly beneficial for those preparing for the IAS exam, this program is your definitive guide to mastering the art of mains answer writing.

Step by Step guide to writing Excellence:

Concept classes- Practice driven and precise 60+ concept classes under the guidance of expert teachers to help you understand the core of the syllabus and transform it into good answers.

Worksheets- A composition of micro questions to breakdown the syllabus into sub topics which can be helpful for answer writing practice and notes-making.

U.P. Special classes- These will help you tackle this relatively new challenge by making you understand the demand of these papers and by providing you with the much needed practice and value addition.

General Hindi Classes- This paper can help you increase your mains score. Under the guidance of our experienced faculty we aim to provide precise and PYQ based preparation and practice, to help you gain an edge over others.

Sectional Tests- To tackle a bigger problem, we need to deal with it in pieces. 26 Sectional Tests will ensure subjectwise preparation and practice to make sure there are no gaps in your overall preparation.

Full length test- Full length question paper tests your speed, thought process and strategy. 8 Full length Tests will help in consolidating your preparation by testing your overall progress and plugging the loopholes before the exam.

Simulators- 8 Simulator Tests will provide you with the exam like environment to help you overcome the anxiety in the final days of the mains preparation through the practice of “the exam before the exam”

Test evaluation, discussion and model answers- Every answer you write goes through a 3 step process. Expert evaluation with detailed and timely feedback to help you minimize your mistakes. Video discussion by experienced faculties to help you develop the thought process and understanding of answer writing. And value added model answers as per the requirements of UP-PSC to provide you with a structure and content as per the demand of the questions.

Value added study material- To declutter the unnecessary from the necessary parts of the syllabus and provide the much needed updation and enrichment to the important parts of the syllabus.

Mentorship- Every student is different and so their problems. Through personalised one-to-one mentorship we aim to solve the unique challenges and preparation gaps.
