Why Prelims Test Series?

Prelims is the stage of Civil services Examination where we see **elimination of 98% aspirants**. So, there are many students who have **never crossed the first hurdle of Civil Services Examination**.

100 questions being asked from anything under the sun, means your **knowledge needs to be wide and you need to ace your recall game**.

There is a need to **develop intelligent methods and problem solving techniques** which can help you arrive to right answer and gain an advantage of 10 – 15 marks over your peer.

A famous idiom “*Practise makes a man perfect*” applies very well to the prelims preparation. The more you practise in exam oriented and serious environment the more ready you will be for prelims. Prelims test series provides you feedback to understand and gauge your preparation and take corrective steps at right time. Also, students for whom Prelims has been a hurdle need to ensure a dedicated time every week over the year to ensure they don't miss the bus this year.

Mere getting the papers from market and solving them doesn't bring seriousness and discipline required.
