How did we build an academy which has sent 2 out of every 3 students selected in Civil Services Examination since 2016 – including Rank 1(5 times), 2,3,4(3 times), 5(3 times), 6(3 times), 7(3 times), 8(3 times), 9(2 times), 10 (2 times) with near zero Quora reviews, a dull social media presence, and a disinterested marketing plan?

It's simple

We focused on our students. And cut the *noise*.

And they gave us Top ranks!

At ForumIAS, our USP lies in being thought leaders in Civil services Preparation. We are young & dynamic and identify what works and what does not. We attract the best and the most sincere aspirants and turn them into officers without diluting our course quality to attract the masses.

Toppers chose ForumIAS

ForumIAS Mains Guidance Program has been the choice of the sincere aspirant – right from first attempters [1] - to students with who are seeking continuous improvement [2] - to those seeking a rank and career improvement [3]. With more than 60 students selected in CSE 2024 in Top 100, being students of Mains Guidance program 2024, we have built an impeccable program that enables you to succeed like no other.

This year MGP is ever better, covering almost all relevant concepts of UPSC Previous Year Questions (framed differently), handholding you from the very beginning till the end of the program.

The new MGP program is tailored in a way such that right from absolute beginners with zero answer writing experience and skills to the students who have secured ranks, but are looking for a score improvement can benefit from it.

MGP Students from ForumIAS have secured ranks 4,5,6,7,8,9,10,11,12,14,16,17,19 in Top 20 in CSE 2025. 65% of CSE 2025 rankers* have been students of MGP by ForumIAS

Every year since we started **MGP**.

“Dear Forum, I am very grateful to Ayush sir and team for being instrumental in my preparation. I took SFG and MGP tests. MGP tests boosted my rank and GS scores. Also thankful for Ayush sir’s YouTube strategy videos. Thank you!”

- A. R. Rajah Mohaideen, Rank - 7, CSE 2025

Impeccable Mentors that our students vouch for.

The best mentor you can get is an elder sibling who is in service.

The second-best mentors are at ForumIAS.

At the **core** of Mains Guidance Program is Mentorship. At ForumIAS, you have access to the best team of mentors who have the relevant experience of guiding the Crème de la crème of Civil Services aspirants.

They have the experience of handholding students who are complete beginners – who are beginning their Civil Services preparation with very little experience to students who have come after 3-4 failed attempts.

Our mentorship has enabled them to realise their true potential by securing their name in the final list.

ForumIAS boasts of the best tribe of mentors who have mentored – and continue to mentor – hundreds – if not thousands of selected candidates.

In fact, if you have heard of the term mentorship in Civil Services preparation – remember it all began with the MGP Mentorship program.

“Forum IAS has been an integral part of my test series journey. The MGP 2023 and MGP 2025 have been a game changer in completing my paper on time with good structure. I am grateful towards the entire team and mentors for their support and guidance. Forum IAS has been the backbone which provided me the confidence and support throughout my UPSC journey.”

MGP helped me attain one of the highest scores in GS (450 marks). I also followed Ayush Sinha sir’s strategy videos. Grateful to the entire Forum IAS team.”

Mains Guidance Program is no *ordinary* test series. They are also not a *bunch* of questions pooled together and dumped on the students.

One of the key differences between the Civil Services Examination conducted by the Union Public Service Commission vis-à-vis other State Services Examinations and University Examinations is that the Civil Services Mains Examination is a *thinking* paper.

This means that you cannot simply mug up notes and vomit them in the paper.

Questions often require deeper understanding, conceptual awareness and a thinking and open mind that can *quickly* collate *opinions* and facts to answer questions asked on the go.

With the increasing difficulty level of the Civil Services Examination, MGP makes you *think* - opens your minds to new ideas and dimensions – and prepares you for the real exam like no other.

Which is why the largest number of selected students* and interview appeared candidates choose the Mains Guidance Program over and over again.

*for rank improvement and mentorship guidance

Our Notable Topper (UPSC CSE 2025)

The Mains Guidance Program (MGP) offered by ForumIAS was extremely helpful in sharpening my answer writing for the Civil Services Examination. I was enrolled in it for both my Mains attempts - 2024 and 2025.....

**Start as a
beginner.**

**End up like a pro
with the year-
long MGP.**

**Compete with
India's best.**

**In fact, *become*
India's best.**

“For the journey may be long, but it is full of experiences, knowledge and it assures a change of life & self. Many thanks to Forum IAS for building a community, delivering exceptional content, tests and making the preparation aligned to what UPSC demands from us.

Simulator and MGP offer a chance to examine ourselves before the exam tests us.

Wish everyone all the best!!”

IAS Rank - 19, CSE 2025**

Do you know that IAS Toppers of both CSE 2021 and CSE 2022 Shruti and Ishita were first part of MGP Year Long program?

And IAS Rank 7 A. R. Rajah Mohaideen was a diligent student of Mains Guidance Program 2024 and 2025.

A lot of students think that they must join MGP after the prelims.

Some students are also misguided into thinking that they must complete the syllabus first then write answers.

Given the nature of humanities, the syllabus completion day never comes, while the exam does.

We don't blame them. A lot of noise on the Internet and for attention—in an age of attention economy—separates the serious and sincere, well-aware student from the masses.

MGP is a self-paced, flexible, self-study plan with answer writing for the sake of accountability at regular intervals, with mentorship support that has worked for thousands of students since we launched the program in 2016.

The Year Long MGP makes sure that you take the slow, but small steps to writing answers, before being thrown into the competition.

There is no substitute for answer writing.

Now cover all relevant questions from Previous Year Questions (PYQs) in MGP 2026 with brilliantly written solutions.

“I was part of SFG, current affairs and MGP at Forum IAS. Discipline instilled through SFG during prelims is very helpful. Current affairs courses helped in holistic mains topic coverage.

I was also part of interview guidance program at Forum. I thank Ayush sir for his valuable insights during one-to-one sessions in interview. I thank the entire Forum IAS team for all the support and guidance.”

With MGP 2026, rest assured that you will not only cover all well-curated, important / non-outdated* concepts from Previous Year Questions – you will also find solutions to some of those questions.

Over the course of almost 2 to 2.5 months, we will make sure your minds are seeded with previous years questions, so that you not only move in the right direction – you also develop the much-needed confidence in solving previous year questions.

And you will also not waste time solving PYQs that are no longer relevant (due to change in dynamic issues, and some issues becoming dead) – nor waste time researching their solutions.

But that’s not all, with MGP 2026, you will be exposed to the most cutting edge and relevant dynamic questions, that make you think, that open your minds, and train you to face the actual Civil Services Mains paper.

*A large number of PYQs lose relevance over a period of time given the dynamic nature of current happenings and emergence of new factors. Due to lack of experience, a lot of students waste time solving questions that have lost relevance.
