## Why a structured Test Series decides Prelims.

---

**~98%** of aspirants are filtered out at Prelims each year.

Not for lack of effort. For lack of the right testing discipline. Prelims is decided by 100 unpredictable questions across a vast syllabus — and the candidates who clear it consistently aren't necessarily those who read the most. They are the ones who practiced under pressure, learned to eliminate intelligently, and built a 10–15 mark edge through months of deliberate, weekly testing.

PTS 2027 Batch 1 is built to give you exactly that. A structured, simulated, weekly exam environment that holds you accountable, surfaces gaps early, and progressively raises your readiness — so you walk into the exam in May 2027 with a tested strategy, not a hopeful one.

---

### Accountability

Weekly tests, fixed schedule, peer ranking — no drifting, no excuses.

### Diagnosis

Subject-wise analytics that surface weak areas while there is still time to fix them.

### Simulation

Tests at exam time, exam pattern, exam pressure — built for transfer, not theory.

## Four levels. Progressive difficulty. Compounding readiness.

---

The PTS 2027 framework is not a sequence of random papers — it is a four-stage curriculum. Each level is engineered to raise difficulty in step with your preparation: from NCERT foundation, to standard-book sectional mastery, to integrated comprehensive testing, and finally to full UPSC-grade simulation.

Coverage is balanced, questions are well-researched, and outcomes are explicit — you always know what each test is designed to build and how to interpret your performance.

# The four-level framework, in detail.

<p>LEVEL</p> <p><b>1</b></p>	<p><b>Foundation — NCERTs Only</b>  <i>Build the base. Lock in static fundamentals.</i></p> <p><b>Contents:</b> 6 GS-1 subject-wise NCERT full-length tests, 3 CSAT mini tests, and 1 GS-1 comprehensive revision test.</p> <p><b>Outcome:</b> Conceptual clarity on the static portion, factual recall, and early familiarity with the CSAT pattern — without overwhelming pressure.</p>
<p>LEVEL</p> <p><b>2</b></p>	<p><b>Sectional Mastery — NCERTs + Standard Books</b>  <i>Real-exam intensity. Subject by subject.</i></p> <p><b>Contents:</b> 23 GS subject-wise full-length tests (100 questions, 2 hours), 7 CSAT comprehensive tests, and 1 GS comprehensive revision test.</p> <p><b>Outcome:</b> Application of concepts in a Prelims-oriented manner, deep subject readiness, and elimination of CSAT as a qualifying risk.</p>
<p>LEVEL</p> <p><b>3</b></p>	<p><b>Integration &amp; Precision</b>  <i>From coverage to mastery. Harder questions, integrated subjects.</i></p> <p><b>Contents:</b> 6 GS subject-wise comprehensive tests (integrated across topics) and 4 CSAT comprehensive tests at advanced difficulty.</p> <p><b>Outcome:</b> Sharper elimination, decision-making under pressure, and full-syllabus stamina across GS and CSAT.</p>
<p>LEVEL</p> <p><b>4</b></p>	<p><b>Simulation</b>  <i>The closest experience to the real Prelims.</i></p> <p><b>Contents:</b> 10 GS Simulator Tests and 9 CSAT Simulator Tests, drawn from 6–7 years of UPSC trend analysis.</p> <p><b>Outcome:</b> Realistic performance benchmarking, fine-tuned time and question-selection strategy, and locked-in exam temperament.</p>

## RUNS ACROSS ALL FOUR LEVELS

### Holistic Current Affairs Coverage

24 months of curated current affairs coverage, plus 5 Quarterly Current Affairs Value-Addition Tests (Online Mode only) — so the dynamic portion of Prelims never catches you off-guard.

## Deliverables built for transfer, not theory.

---

Every element of PTS 2027 is designed with one goal: make sure what you practice on Sunday morning actually shows up as marks in May 2027. Here is exactly what is included.

<b>Tests at exam time</b>	Mini and full-length GS papers go live at 9:30 AM; CSAT at 2:30 PM — matching the UPSC clock so you train mind and body to peak at the right hour. Available in both Online and Offline modes.
<b>Same-day discussions</b>	Expert-led live discussion at 8 PM on test day. No question goes unexplained — every option, every elimination logic, every static anchor.
<b>Detailed solutions</b>	Each answer is built around the underlying static concept, not just the right pick. You learn why, not just what — so the same idea cracks the next ten variants.
<b>All-India Rank, next day</b>	See where you stand against thousands of serious aspirants. Separate Online and Offline rankings, plus a consolidated All-India Rank — so progress is measurable, not felt.
<b>Performance analytics</b>	Subject-wise breakdown, peer comparison, and recommended reading and tests to fix what the data shows is weak. Online students get it instantly; Offline within 6–8 hours.
<b>Current Affairs, curated</b>	24 months of holistic CA coverage and 5 Quarterly CA Value-Addition Tests (Online only) — pace, without burnout.

### THE INTENT

*PTS 2027 is not built to make you feel busy. It is built to make you exam-ready — with the discipline, diagnostics, and timed practice that separate aspirants who clear Prelims from those who don't.*
