

PRE-FOUNDATION PROGRAM

UPSC CSE 2027 | NCERT-Based Pre Foundation Course

Ideal for college students and early aspirants looking to build a strong conceptual base for Civil Services Examination

ABOUT THE PROGRAM

The ForumIAS Pre Foundation Program is a meticulously designed course for aspirants who are at the very beginning of their UPSC preparation journey. Built around comprehensive NCERT coverage, this program lays the intellectual groundwork required to tackle the demands of the Civil Services Examination with confidence.

Whether you are a college student exploring UPSC for the first time, or an aspirant seeking to solidify your basics before advancing to detailed preparation, this program provides the structured, expert-led foundation you need.

PROGRAM AT A GLANCE

100+ Hours of Classes	NCERTs All Essential Texts Covered	LOTs Learning Outcome Tests
---------------------------------	--	---------------------------------------

WHAT YOU WILL LEARN

Learning – Build Your Foundation

Every concept is taught from the ground up using all essential NCERTs as the backbone. Expert faculty simplify complex ideas into clear, engaging lessons – ensuring you master fundamentals before progressing to advanced material.

Revision – Learning Outcome Tests

After every class, a dedicated Learning Outcome Test (LOT) helps you revise and consolidate what you have just learned. These structured tests reinforce retention, identify gaps, and ensure you are always exam-ready.

WHAT YOU WILL GAIN

- Awareness of key terms and foundational vocabulary across all tested subject areas
- Clear understanding of core concepts as covered in essential NCERT texts
- A structured academic framework to approach the CSE syllabus systematically
- The confidence and readiness to transition into advanced, detailed subject study
- Consistent revision habits built through structured Learning Outcome Tests after every class

Who Is This Program For?

- College students (any stream) exploring UPSC CSE as a career path
- Early aspirants who want to build a strong conceptual base before detailed preparation
- Anyone who has not studied from NCERTs recently and needs a structured refresher
- Aspirants who want to understand the 'why' behind every concept – not just memorise facts
