CSE 2027 | Commences 11 AM | **15th Sept. 2026 | Pre-cum-Mains**

What is the problem we are trying to solve?

Selections. With Top Ranks. In *one* go.

If there is one thing that satisfies us – it is your selection – with Top Ranks. You getting your dream service, with your dream rank. In one go.

And with the recent change of rules where students, once selected, have only *one* more attempt to improve their ranks and service – this becomes even more significant. For us and for you.

And we'll do *everything* to make our students succeed#

What's up with Current Affairs+ ?

How do we achieve top ranks at ForumIAS? It's simple. When it comes to Prelims, we provide pin pointed high quality content, and make our students work hard. Even at 7AM in Delhi winters. When it comes to Mains, the approach needs a relook.

While in Prelims we need to cover the most common sources, the key to achieving top score in Mains marks is *singular* - content differentiation.

This may not make sense to you if you have *just* begun, but speak to a *single* digit ranker - or more importantly a candidate who has *improved* his rank to get into the IAS - and he will tell you about ForumIAS. And our CA+ Classes.

In ForumIAS Current Affairs classes - we declutter the content, make it brief & to the point - and at the same go that extra ~~mile~~ lightyears ahead to make sure that your content is different - from typical coaching compilations - such that the examiner is bound to award you marks that lead to a top rank for our students.

But don't take our word.

Ask the top rankers / scorers of General Studies every year - . Ask Zinnia¹, who has secured Rank 6 this year and improved her rank from 156 - who chose current affairs classes by Dipin Sir to make the jump. Or ask Raja², who has secured Rank 7 this year and was part of Current

¹ Student of FRC 4, Mains Focus Group (Residential), MGP & SFG for 2024 & 2025, CA Classes by Dipin Sir, AIR 156 in CSE 2024 and SIR 6 in 2025

² Student of SFG / MGP / CA Classes by Dipin Sir in 2025

Affairs classes by Dipin Sir. **5 out of top 10 students³** in CSE 2025 were part of CA classes by Dipin Sir.

But we are not an *overnight* sensation. Ask **Dongre Archit**, AIR 3, – or ask **Garima Lohia** AIR 2 – who scored more than AIR 1⁴ of that year, or ask Pratham, AIR 5, CSE 2017 – who secured 501 marks in General Studies – highest in the decade among known / selected candidates. They have *all* been part of ForumIAS Current Affairs Classes + MGP. And every year, we have enabled the success of hundreds of students in Civil Services.

CA Classes in 3 PHASES

We conduct CA Classes in 3 Phases.

Phase 1 : Dynamic Issues of GS 2 & 3 : In Phase 1, we focus on dynamic issues from Paper 2 & 3 that are important for the Mains examination. Classes are held 2 days a week on Tuesday & Friday until December – so that you are mains ready when it comes to dynamic issues of GS Paper 2 & 3. The classes are supplemented with live answer writing sessions.

Phase 2 : In Phase 2, which commences from the last week of January/ 1st week of February, we shift gears and focus on prelims oriented classes. Classes are held up to 3 days in a week until till a month before the prelims examination.

Phase 3 : In Phase 3, which begins within 2 weeks of the Prelims examination – given the paucity of time between prelims & mains examination. We continue with the *most* important issues for Mains of that year – providing you – *to the point* – *paper neutral* content – helping you develop the body of knowledge which you can use across papers & Essay – so as to break into the 450+ club. (The highest score from these classes from selected candidates have been 501). This phase is again completed by live answer writing sessions.

The course will be available in both online & offline mode.

This is for nerds. We even set up a residential academy when we brought together in a single campus – serious, otherwise academically bright students caught in the web of social media and edtech courses that cater to the masses – but not to the exam – and 69% of top 100 students from our second FRC Batch have cleared the prelims for the very time in their life – proving the efficacy of our academic rigour. They sacrificed the comfort of their home, and the city life of Delhi to move to a pollution-free rustic settings at Tapasya. Every second candidate part of FRC – in CSE 2026 with a very unconventional paper – has cleared prelims – for the very first time after multiple failures. And that is a new beginning for both us and them. You can read more about the rankforge challenge by visiting <https://go.forumias.com/rankforgechallenge>
