

Current Affairs+ (Pre-cum-Mains)

for

CSE 2027

**(Early Access Bonus Prelims
Classes for Prelims 2027)**

23 August, 2027 / Sunday | OFFLINE only

Dear Students,

As a part of the Current Affairs+ (Year Long - Pre-cum-Mains) Classes for CSE 2027, we are commencing with some early access bonus classes - (offline only) starting August 23rd, 11AM, Sunday. These extra classes will be conducted for Prelims 2027 and will cover Current Affairs from January 2026 till November 2026 on a monthwise basis. Classes will be held once every week and may go up to 2 classes every week.

How can I join this program?

These classes are a part of Bonus classes for Current Affairs+ Classes for CSE 2027. These classes will be conducted only in the offline mode in Karol Bagh (and FRC Tapasya Campus) Any students enrolled in either batch (Batch 1 or Batch 2 - offline only) can attend the classes. In case you are interested in taking these classes, you may enroll in Current Affairs (Pre+ Mains) 2027 - Offline only classes for 2027.

Why are we doing this?

We are increasingly seeing that students who are otherwise equipped to write a good mains, are getting stuck at the Prelims stage itself. Among several reasons, one of the reasons is that they have accumulated everything to be completed in the last moment / month. The prelims failure of most students who clear the Mains once they clear the Prelims (e.g. Ishita Kishore - Roll No 1910080460, Maurvie Towari - 1910027749) is often a result of missed deadlines and last moment piling up for prelims preparation. While some of us are good with handling exams and study well at the last moment, some of us cannot study at the last moment. With CA - Prelims Bonus Classes, we will be fully insured against such accumulation and calamity.

What about online students of Current Affairs+ - Pre+Mains - Year Long ?

Current Affairs Year Long Students will continue with Mains Oriented Classes and will get thematic CA classes for Prelims in Phase 2.

Will there be repetition in CA+ Prelims Bonus Classes and CA - Year Long Phase 2?

The Current Affairs Bonus Classes will be conducted monthwise to provide an edge to students who like to start early - given the increasingly difficult nature of Prelims and the intense competition which has only increased in the past years. The Phase 2 of CA - Year Long - Prelims Focus Classes will be conducted themewise and subjectwise covering the whole year. On the other hand, the Bonus classes will be covering important prelims issues monthwise. It could be possible that there could be 60-70% overlap - when these classes are conducted again in January last week/ Feb first week. In such a case the students must take it as a fast paced revision classes.

Should I attend the classes if I am going to get them in CA Phase 2 in January ?

We recommend that those of you who have not been able to clear prelims multiple times before, must attend the classes , just to ensure you are better prepared - and sometimes early preparation itself is better preparation. Also those of you planning to do SFG from December must attend these classes so that we are not bogged down by the hectic schedule of SFG at that stage. Attending the same classes from Jan- April 2027 will be much easier and should be treated as a revision.

Will this be overwhelming? I also have to do my optional now.

So that you do not get overwhelmed at this stage, we only plan to have 1 and maximum upto 2 classes / week for Prelims CA. They are available at no additional cost to CA students - offline only -subject to availability of seats.

Why are you providing this for free?

We are only providing this to our offline CA enrolled students. We are doing it as it directly contributes to the success of our students - and we have continuously ensured between 1/3rd to 2/3rd final selections in the Civil Services Examination from ForumIAS Academy in the past decade. We want to be successful – and for that to happen - Academy enrolled students must be successful. 65% of Top 10 and Top 20 ranks in CSE 2025 have been students of ForumIAS Academy.

How can I attend the classes?

Since there shall only be one batch - seats will be limited, and students must register for the offline classes by paying a registration fee of **Rs 59** by clicking the link below. Please note that only offline CA enrolled students - CSE 2027 must register for it. The Bonus classes are not available separately, and any payments made shall be forfeited if you are not an enrolled student for the same but have only paid this registration fee. In case you are not provided a seat despite registering for these classes, your registration fee of Rs. 59 shall be refunded. No refund will be done on the grounds that you changed your mind.

What if I want to attend the classes, and may enroll for the CA Year Long (PCM) later ?

You may attend the first class by registering. However, you must be enrolled in CA (PCM) going ahead. Moreover, these classes will be offline only and this is a part of the CA 2027 course.

I am an online student of CA Year Long (PCM) 2027. Can I attend these classes?

These classes will only be available offline and are only for offline CA students.

Click below / Scan to register. Registration shall close once seats are over. Admissions will only be on a first come and first serve basis.
