GS ADVANCED PROGRAM (GSAP)

What is better than MGP & Current Affairs Classes? The GS Advanced Program. One, because it includes the MGP and Current Affairs. Two, for those of us who have missed a foundation course, done self-study or otherwise not a good static preparation. The GSAP provides a second avenue for course correction. GSAP has been designed to address the core issues in preparation. It includes:

(a) Content-Building Classes that comprehensively cover GS Mains topics with conceptual clarity and updated relevance, (b) Daily Answer Writing Assignments to reinforce classroom learning and build writing discipline, and (c) Dedicated Mentorship for continuous performance tracking, feedback, & improvement.
