ENROLL NOW

Why a structured Test Series decides Prelims.

~98% of aspirants are filtered out at Prelims each year.

Not for lack of effort. For lack of the right testing discipline. Prelims is decided by 100 unpredictable questions across a vast syllabus — and the candidates who clear it consistently aren't necessarily those who read the most. They are the ones who practiced under pressure, learned to eliminate intelligently, and built a 10–15 mark edge through months of deliberate, weekly testing.

PTS 2027 Batch10 is built to give you exactly that. A structured, simulated, weekly exam environment that holds you accountable, surfaces gaps early, and progressively raises your readiness — so you walk into the exam in May 2027 with a tested strategy, not a hopeful one.

Accountability

Weekly tests, fixed schedule, peer ranking — no drifting, no excuses.

Diagnosis

Subject-wise analytics that surface weak areas while there is still time to fix them.

Simulation

Tests at exam time, exam pattern, exam pressure — built for transfer, not theory.

Three levels. Progressive difficulty. Compounding readiness.

The PTS 2027 framework is not a sequence of random papers — Each level is engineered to raise difficulty in step with your preparation: from to standard-book sectional mastery, to integrated comprehensive testing, and finally to full UPSC-grade simulation.

Coverage is balanced, questions are well-researched, and outcomes are explicit — you always know what each test is designed to build and how to interpret your performance.

The four-level framework, in detail.

LEVEL

1

Sectional Mastery — NCERTs + Standard Books

Real-exam intensity. Subject by subject.

Contents: 23 GS subject-wise full-length tests (100 questions, 2 hours), 7 CSAT comprehensive tests, and 1 GS comprehensive revision test.

Outcome: Application of concepts in a Prelims-oriented manner, deep subject readiness, and elimination of CSAT as a qualifying risk.

LEVEL

2

Integration & Precision

From coverage to mastery. Harder questions, integrated subjects.

Contents: 6 GS subject-wise comprehensive tests (integrated across topics) and 4 CSAT comprehensive tests at advanced difficulty.

Outcome: Sharper elimination, decision-making under pressure, and full-syllabus stamina across GS and CSAT.

LEVEL

3

Simulation

The closest experience to the real Prelims.

Contents: 10 GS Simulator Tests and 9 CSAT Simulator Tests, drawn from 6–7 years of UPSC trend analysis.

Outcome: Realistic performance benchmarking, fine-tuned time and question-selection strategy, and locked-in exam temperament.

RUNS ACROSS ALL THREE LEVELS

Holistic Current Affairs Coverage

24 months of curated current affairs coverage, plus 5 Quarterly Current Affairs Value-Addition Tests (Online Mode only) — so the dynamic portion of Prelims never catches you off-guard.

Deliverables built for transfer, not theory.

Every element of PTS 2027 is designed with one goal: make sure what you practice on Sunday morning actually shows up as marks in May 2027. Here is exactly what is included.

Tests at exam time	Mini and full-length GS papers go live at 9:30 AM; CSAT at 2:30 PM — matching the UPSC clock so you train mind and body to peak at the right hour. Available in both Online and Offline modes.
Same-day discussions	Expert-led live discussion at 8 PM on test day. No question goes unexplained — every option, every elimination logic, every static anchor.
Detailed solutions	Each answer is built around the underlying static concept, not just the right pick. You learn why, not just what — so the same idea cracks the next ten variants.
All-India Rank, next day	See where you stand against thousands of serious aspirants. Separate Online and Offline rankings, plus a consolidated All-India Rank — so progress is measurable, not felt.
Performance analytics	Subject-wise breakdown, peer comparison, and recommended reading and tests to fix what the data shows is weak. Online students get it instantly; Offline within 6–8 hours.
Current Affairs, curated	24 months of holistic CA coverage and 5 Quarterly CA Value-Addition Tests (Online only) — pace, without burnout.

THE INTENT

PTS 2027 is not built to make you feel busy. It is built to make you exam-ready — with the discipline, diagnostics, and timed practice that separate aspirants who clear Prelims from those who don't.
